Ashley is handling this matter for the Company. Either Chad or I may dial in if able, so the Company will have two representatives at most.

I'll get a conference line for us. How many folks do you think we'll have on the call?

Josh:

Thank you for your time. I am available Monday morning. Just to provide some additional details for our call, at least from DESC's perspective, we will have the call to update you on the status of the docket. DESC does not expect you to make any recommendations or decisions during our call, and DESC will file a written update after the call so you will have that information before you make any recommendations or decisions.

Regards,
Ashley
